

RNZB Group Booking Policy

The RNZB Box Office is delighted to offer groups attending the ballet a special price for 6+ tickets and 20+ tickets. Groups of 6 or more can enjoy 10% off, while groups of 20 or more can take 15% off the full price of adult and child tickets, and can also enjoy the convenience and service provided when booking directly with the RNZB.

In addition to these group prices, we also offer a “Ballet Club” subscription, where groups of 6+ who attend all the productions in their city of choice save 25% off the full price of adult and child tickets; we also offer an extra special rate to school students and teachers to our public performances.

Groups can be comprised of both adults and children to meet the required numbers for the discount. Group pricing is available for all performances within a single season, excluding school matinees, Tutus on Tour and any other special performances in addition to our mainstage season.

Group Bookings for Single Performances

Groups of at least six people can enjoy a 10% discount, while groups of 20+ can enjoy a 15% discount. These discounts are available for adults & children and exclude senior and student pricing. For added flexibility, groups can hold their booking until 4 weeks prior to the performance, giving extra time to organise final numbers and payment with your friends and family.

At four weeks prior to the performance, customers will need to confirm the number of attendees, ticket type breakdown (adults or children) and make their final payment in full. Please be aware that we cannot accept split payments for group bookings and tickets must be paid in full before they are issued.

An amendment fee may be charged if the booking is changed after this deadline. The RNZB reserves the right to charge in full for any tickets booked as part of groups that are returned once issued.

“Ballet Club” Group Bookings

“Ballet Club” bookings of at least 6 people can enjoy a 25% discount, when purchasing up-front for all ballet performances within a calendar year in their centre of choice, with all group members attending the same performances. The 25% discount is available for both adult and child tickets (cannot be applied to student or senior pricing).

To lock in your Ballet Club group, payment will need to be made up-front for all performances. Please be aware that we cannot accept split payments and tickets must be paid in full before they are issued. As Ballet Club participants are considered season

subscribers, they will be entitled to one complimentary programme voucher for every two tickets purchased for the season.

If any member of your group wishes to change performance dates, they will need to pay the difference between the standard ticket and the ballet club discount, unless all members change performance dates.

If you do not wish to pay up-front for your group subscription/Ballet Club tickets, the single performance group booking procedure will be followed.
